LAND ADJACENT TO TERRAUGHTIE

INTRODUCTION

The land adjacent to Terraughtie is situated just off the A75 on the periphery of the regional town of Dumfries. The land at present is farmed in conjunction with another farm, owned and occupied by the sellers.

The land is located in an area known for its long grass growing seasons and is in a fertile and accessible region of Southwest Scotland. This block of agricultural land would lend itself to inclusion within another farm, or indeed as a standalone unit.

This area of Southwest Scotland enjoys one of the most varied and picturesque landscapes within Scotland, ranging from the moorland of the Southern Upland Hills to the bays and sandy beaches of the distinctive coastline. This is a rural county where agriculture and tourism thrive to form the backbone of the local economy. The area has been relatively unscathed by modern industry.

The land is offered for sale by private treaty **as a whole or in two lots.**
